

Cash Collection Services for Financial Institutions

(Banks, Forex Bureau, Non-Bank Financial Institutions)

BDI is a preeminent provider of cash and coin management services across the United Kingdom. Our comprehensive suite of services is designed to cater to the specific financial needs of banks, forex bureaus, and non-bank financial institutions. Our clients value reliable cash management and transaction processing, which is why we deliver flexible, cost-effective solutions customised to meet their needs.

GET THE SOLUTION YOU'RE LOOKING FOR:

Our Services at BDI vary, we are renowned for providing a comprehensive range of services precisely geared toward delivering the most efficient and cost-effective solutions to our customers in the financial industry. Our array of services includes:

► **Bullions, Vans, Custom-Fit logistics for cash, documents, or anything else.**

We are aware that every company has different logistical requirements. That is why we offer bespoke logistics services tuned to your specific requirements. Whether you need to transport cash, bullion, documents, or other valuables, we have the expertise, knowledge, and resources to manage your logistics needs with precision, speed, and security.

► **Unique Service: Regular collections and deliveries of notes, coins and floats.**

It is important for businesses to maintain a steady supply of notes, coins, and floats. That is why we offer regular collection and delivery to ensure that your business always has money on hand to keep transactions running smoothly. Our professional service ensures your money is counted and validated by our trained and SIA-vetted Staff, providing one process for both small and large credits.

► **Coin, Notes & Floats: Getting your money checked and, in the bank, - fast!**

Our coin, notes, and floats service ensure your money is deposited in the bank quickly and efficiently. We understand that time is money, and that is why we provide a speedy cash processing service that ensures your funds are counted, validated, and delivered to your bank as quickly as possible, whilst saving you time and money. With our reliable and efficient service, with a full audit trail you can rest assured your money is in safe hands.

► **Cash in Transit: Covering every payment solution & cash management need. Professional service.**

At BDI, we cover every payment solution and cash management need your business may have. From secure transport to efficient processing, we have the expertise, knowledge, and experience to handle all aspects of your cash management requirements. We pride ourselves on providing a professional service that is reliable, efficient, and tailored to your specific needs.

► **Cash Processing: Secure, efficient cash-in-transit services for all business types.**

Our cash processing service ensures your cash is processed securely, efficiently, and professionally. We have a team of highly trained cash management experts using the latest technology and equipment to ensure that your cash is processed safely and efficiently. All processing is carried out under live CCTV coverage with a full audit trail.
