

Cash Collection Services for Local Authorities and Councils

Parking Department, NHS
Care Homes, Schools, Police
Departments

Welcome to BDI, one of the market-leading providers of Cash in Transit Management Services across the UK. We are proud to offer a complete range of solutions that are designed to help local authorities manage their cash and transactional needs effectively and efficiently.

Through close collaboration with Local Authorities, we build, customise, and develop solutions that are tailored to their individual needs, environments, and objectives of each Council.

Our Solutions:

Our services include cash collection from all payment machines including, but not limited to, parking machines both on and off-street to include notes and coins, any payment terminal within council offices, deposits from safes and collections from schools, registrars, and secure facilities (care homes). Secure transportation, processing, and banking all with full reporting and audit trail.

- **Need regular collections and deliveries of notes, coins, and floats?** Our special Coin, Notes & Floats service has you covered.
- **Getting your money validated and, in the bank - fast!** Our Cash Processing service ensures your money is validated and deposited in the bank quickly and efficiently.

- **Covering every payment solution & cash management need.** We offer a complete range of payment solutions and cash management services, ensuring that all your requirements are covered.
- **Professional service with exceptional customer service.** Our exceptional customer service team is always on hand to provide straight-talking solutions and support to our clients. All monies are processed and validated by our trained and SIA-vetted Staff providing one process for both small and large credits.
- **Consolidated cash into your bank account.** We provide consolidated cash to your bank account via nominated bulk cash centers, ensuring your cash is deposited promptly and efficiently.

Why Choose BDI?

Since BDI's operations in 1995, we understand the importance of timely and efficient cash management, and we work hard to provide solutions that are tailored to your specific needs.

Our Staff are trained and SIA-vetted, providing a professional and reliable service that meets the highest standards. We use the latest technology and equipment to ensure that your cash and valuables are transported, processed and banked safely and securely, and we offer complete transparency throughout the process.

We also understand that local authorities need to be able to manage their cash and transactional needs without worries, which is why we offer a complete range of payment solutions and cash management services. Our team will handle the logistics, processing, and transportation of your cash and valuables, providing you with complete peace of mind.
